

Profile

Dee Henshall

Specialisations

Dee has over twenty years' experience and specialist knowledge in the oil, gas and energy sectors. Partnering with organisations to influence change, manage organisational risk, and provide WHS consulting and training solutions to meet individual organisational needs.

Dee offers the workplace and industry professional, personalised and people centric solutions to meet their legislative and compliance requirements through the fundamentals of understanding the social psychology of risk in leadership, risk intelligence, learning, goal setting, supervision, team development, organising and cultural diagnostics.

Dee has conducted numerous internal and external OHS management systems (OHSMS) audits on behalf of Origin Energy, Caltex Australia Petroleum and BP Australia, and provided professional guidance to a range of industries including Mining, Oil and Gas, Hospitality, Petroleum Manufacturers and Distributors, Building and Construction, Transport and Logistics.

Experience

- Consulting to Queensland Building & Construction Commission (QBCC), Australia Pacific Liquefied Natural Gas Project (APLNG).
- Responsible for the research, development and implementation of the HSE Strategic Plan for APLNG Phase 1 Project and streamlining the Audit, Assurance and Compliance process. The process was also adopted and implemented to facilitate the Camp Assurance Program (CAP) across all APLNG, Origin and Contractor operational camp locations across the Surat Basin.
- Providing corporate governance and WHS expertise on behalf of Caltex Nationally, as a core member of the Operational Excellence Risk Committee (OERC).

Qualifications

Dee has tertiary qualifications in Occupational Health and Safety (OHS), Social Psychology of Risk and Business. She is a certified practitioner of the Majors Personality Type Indicator (PTI) Instrument, an accredited RABQSA OHS Auditor for Safety Management & Quality Systems, and will continue further studies in the field of Social Psychology of Risk with Dr Robert Long.

MSc (OHS), GradCert (Bus), GradCert (SocPsych Risk), RABQSA (Auditor), Cert IV TAE, Cert IV Onsite Envir Mgt, Majors PTI Trainer/Facilitator.
